

## 2018 Membership Application

The 2018 membership application form will be posted in early March. The form will only be remain posted for about 2 weeks.

Read the application carefully, any applications received without mandatory information will not be considered. Print clearly. Full name – First name, full middle name, last name, current address, City, State, Zip Code, Phone numbers both home and cell if applicable, your date of birth, email address, social security number, NRA membership number, Drivers License Number and Issuing State, Vehicle Make and model, License Number of that vehicle and issuing State. All of this is mandatory/required.

Any shooting organizations you may belong to and NRA certificates you may hold are optional. If you have Safety Officer certification list it also.

At the bottom of the form you will need the names of two current club members who will sponsor you. This has from time to time been a problem for those of you new to the area. As a firearms enthusiast, when talking to friends or co-workers ask if they belong to the club or know someone that shares your interest.

While not helping with locating sponsors for the 2018 membership, come to the shooting events next season, get to know the group. You can participate in these events without being a member. Then you may meet club members that can help you in 2019.

Sign and date the application then mail it to Dan Hill at the provided address. **NO EMAILED FORMS ACCEPTED.**
