

## 2025 New Membership Application Information

### **This is for completing the 2025 Membership Application.**

The background check fee is \$40.00 with exceptions. There are states where the background check exceeds this amount. When our Background Check Agency notifies us of a higher check fee, we will contact you of that higher charge and will not complete the check until after you submit the additional charge. Send the check for the background fee (made out to MDRC-Inc.) with the completed Background Check Disclosure Form and the 2025 Membership Application Form. Both of these forms are now in a fillable PDF format. Print both forms after completing them and sign both forms. Mail these to our secretary, the address is on the application. After successfully passing the background check you will be notified of the date of the introductory meeting, tentatively set for early April at the range

### **Application Form**

Read the application carefully, any applications received without all of the mandatory information will not be considered. You may be contacted about missing information. Fill both PDF forms, sign both forms. Your full name – First Name, Full middle Name, Last Name (if married include your maiden name); your current address, City, State, Zip Code, phone numbers – both home and personal cell. Date of birth, email address, social security number (needed for background check), NRA membership number, Driver's License number including issuing state. All of this information is required and mandatory. After satisfactorily passing the background check this personal information is destroyed.

Optional information, any shooting organizations you may belong to, NRA certificates you may hold and if you have a Safety Officer's certification from any shooting venue.

At the bottom of the Application form, you will need the names of two current club members who will sponsor you. If you are new to the area, having just moved here from out of state, make a note of it on the form explaining how you learned of the Club and not knowing any members. As a firearms enthusiast, when talking to friends, neighbors, co-workers or even at your church congregation, ask if any belong to the club or may know someone who does belong.

While not helping with locating sponsors for the beginning of the 2025 season, come to those shooting events that may interest you or any scheduled Work Detail Day, get to know the group. You can participate in these events without being a member. It is a great way to meet club members. Also, the membership may not be completely filled in April, any vacancies will be filled in July from those applicants not having all information (sponsors, NRA# listed on their application).

Sign and date the application then mail it to Club Secretary, Linda Shaffer, at the address provided on the Application form. **NO EMAILED FORMS ACCEPTED.**

### **CURRENT MEMBERSHIP RENEWAL**

The membership fee remains \$120.00. Continued membership in the NRA is required. The Work Waiver fee is \$200.00 if you have not completed the 8 hour work requirement. As in the past you can meet the work requirement in many different ways; scheduled work days, special projects, mowing, trimming, help with setup and teardown of matches. Also, we are aware of health issues that may limit your ability to meet these tasks. Contact us and we will find a way to help you meet the waiver.
